

I strongly OPPOSE SINCLAIR Broadcast Groups merger with TRIBUNE media.

As a Chicago tax payer, our community and citizens deserve to hear unbiased news.
Not slanted opinions one way or the other.

Sinclair's overreach of too many media outlets would further bias non-fact related information putting the public in harms way along with compromising the integrity of the companies journalist and broadcast employees as they would be forced to push Sinclair's known bias agenda.

Thank you for supporting open, free, public and non bias airwaves for all Americans.
